

Las Cruces, NM - On Thursday, November 12th, Congressman Harry Teague will hold a Telephone Town Hall in honor of Veterans Day. The Telephone Town Hall will allow constituents that are interested in Veterans' issues to share their ideas, ask questions of Congressman Harry Teague, and learn more about his agenda to honor and support New Mexico's Veterans.

"Our veterans have made great sacrifices to protect our freedoms and in return deserve the highest respect, support and services that we can offer. This Tele-Town Hall in honor of Veterans Day will not only pay tribute to their dedication and bravery, but also provide an opportunity for me learn about the issues that matter to them," said Congressman Harry Teague. "I worked for and earned a seat on the Veterans' Affairs Committee because addressing the concerns and needs of our nation's veterans is a top priority for me. This Veterans Day Tele-Town Hall is another way to stay in touch with the constituents in the 2nd Congressional District and help shape my agenda to support New Mexico's Veterans."

This is Congressman Teague's second Tele-Town Hall dedicated to Veterans' affairs and issues. In addition to opening 6 Congressional Field Offices and hosting Harry in Your Hometown and Mobile Office Hours, these Tele-Town Hall events are a community outreach program developed by Congressman Teague to help him stay in touch with constituents throughout New Mexico's second congressional district.

Congressman Teague encourages any of his constituents who are interested in veteran's

issues to contact his office at 1-888-9TEAGUE to get details on how to participate in the Tele-Town Hall.
